

COVID-19 updates are happening daily.

Shalem is following the AHS Update from March 18th, 2020:

- Effective immediately, only one essential visitor at a time for residents in Supportive Living (the Haven) will be allowed.
- Essential visitors are defined as those providing care necessary for the well-being of the resident.
- Essential visitors are restricted to one individual at a time and those visitors must be immediate family or a designated person.
- Additionally, no children will be allowed to visit.
- We recognize that this may be difficult for families and loved ones but we must do all we can to minimize the risk of infection to our residents and staff.
- We encourage families to consider alternate methods for communication, such as Facetime or Skype, to connect with residents.

Additional COVID-19 Measures at Shalem:

- We are not accepting any reservations for the Guest Suites at this time
- All staff-facilitated events and activities are cancelled until further notice
- Our Dining Room is closed
- Deliveries of Groceries and Medications to the Residents are permitted. We ask that these items be left at the Haven Front Desk for distribution to the appropriate Resident (delivery people are not allowed into our Buildings). Please make an appointment for delivery so staff is available.
